Doña Paula Estate, Argentina

7th February 2018

Established in 1997, Doña Paula is a winery that produces premium wines in Mendoza, Argentina; vines are planted in the best areas of the country to create the most faithful interpretation of each terroir.

San Marzano, Puglia

7th March 2018

San Marzano melds time honoured tradition, passion and sensibility with contemporary techniques to produce wines with distinctive varietal and regional characters.

Marchesi Frescobaldi, Tuscany

11th April 2018

Marchesi di Frescobaldi, one of the oldest Italian wine companies, owns nearly 1000 hectares of vineyard land in Tuscany and remains in the control of one family which has been producing wine since 1300.

Gerard Bertrand, Southern France

9th May 2018

Twenty years of know-how ensures that wines bearing Gérard Bertrand's signature have a unique style driven by four fundamental values: excellence, authenticity, conviviality and innovation.

Berton Vineyard, Australia

6th June 2018

A contemporary winery with an emphasis on all that is casual, friendly and approachable in wine. With the combination of modern technology and techniques of years gone by, Berton Vineyards is quietly making its mark on the wine world.
