GM CHAMBER EXPORT CONTACTS

Greater Manchester Chamber of Commerce has created an Export Contacts list to help you access specialised business support services when trading overseas.

When contacting a provider from this list, please ensure you mention you have been referred via the Chamber as members marked * offer preferential rates to Chamber members.

4: EXPORT CONSULTANTS, CONTROLS AND CERTIFICATES:

Companies included in this list are not in partnership with, or work in association with Greater Manchester Chamber of Commerce. All the companies listed below are members of the Chamber and their services are offered separately to those included in your Chamber membership. Greater Manchester Chamber of Commerce cannot guarantee the quality of the products or services offered by these companies and cannot verify the accuracy of the details provided.

Carroll Consulting

Make sure you make the most of Brexit and continue to build your business presence in Europe. We could be your market research and communications partner for Germany and Austria.

We can analyse your market in Germany and/or Austria and inform you of the potential for success for your product or service. We will iron out any uncertainties on this opportunity for business success in Germany and/or Austria. We can research your market and provide you with value-added information from which you can take a more levelled, positive decision. And if that decision should be to invest in bringing your product or service to the German-speaking markets, we can be here for you every step of the way in providing a proposal on the route to market and an in-depth communications plan.
