

## Become a GDPR Expert with our BCS Certified Training Programmes

### GDPR Foundation Training

**Price: £450 + VAT**

**Early Bird Price: £405 + VAT**

Knowledge of UK data protection law, including the EU General Data Protection Regulation (GDPR) and the UK Data Protection Bill along with an understanding of how they are applied in practice, is important for any organisation processing personal information. The BCS accredited Foundation certificate is designed for those who want to learn the key fundamentals of GDPR law and how these can be applied in practice.

### GDPR Practitioner Training

**Price: £1500 + VAT**

**Early Bird Price: £1350 + VAT**

Knowledge of UK data protection law, and an understanding of how it is applied in practice is important for any organisation holding personal data. The BCS accredited Practitioner Certificate is designed for those with some data protection responsibilities in an organisation or who, for other reasons, wish to achieve and demonstrate a broad understanding of the law, including the EU General Data Protection Regulation (GDPR) and the UK Data Protection Bill and their practical application.

### GDPR Combination Training

**Price: £1755 + VAT**

**Early Bird Price: £1667.25 + VAT**

The General Data Protection Regulation (GDPR) requires that most organisations appoint a Data Protection Officer (DPO). According to The International Association of Privacy Professionals (IAPP) more than 75,000 DPOs will be required to implement GDPR within organisations. This combined GDPR Foundation and GDPR Practitioner course will ensure that you have all the knowledge and skills required to drive compliance within your organisation as well as be DPO-ready.

### Why Us?
