UK Legal Services Translation

UKLST (UK Legal Services Translation), also branded as NTIS (National Translators & Interpreters Services), provide translation and interpreting services nationwide in over 350 languages and dialects, working with over 3500 qualified and professional linguists. We take pride in offering high quality translations and in being a highly dependable and responsive company.

As our name suggests, we mainly specialise in oral interpreting for legal matters at courts, but also for medical consultations, business meetings and police stations. Our vetted and qualified interpreters, some having over 30 years of experience, overcome distances by providing telephone interpreting and business trips abroad.

UKLST / NTIS also deliver written and verbal translations of documents, which are all supported by either statement of truths or affidavits on request. We can be instructed under legal aid rates.

We also offer transcriptions and written translations for company internationalisation
